Website	Views	Social media shares
ScienceX	3510	17
EurekAlert	938	n/a
Alpha Galileo	152 (journalists)	n/a

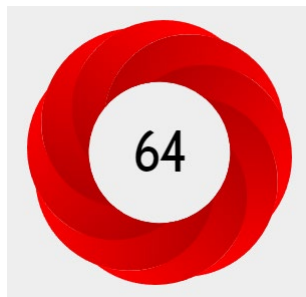

Number of media outlets that picked up the media release (excluding Chinese outlets):

12

Languages the article has been translated into (not including Chinese):

Indonesian, Italian, Korean

Altmetric score

In the top 3% of all research outputs scored by Altmetric.

The Altmetric Attention Score for a research output provides an indicator of the amount of attention that it has received. The score is derived from an automated algorithm, and represents a weighted count of the amount of attention we've picked up for a research output.

Thanks for your support and we look forward to working with you again!
